SIR,

[Edn 09]

In continuation of my letter No 4699/330 of the 8th ultimo proposing that Rs 13,932/- may be reserved for new works to be undertaken this year out of the grant allotted for Buildings in the Village School Fund Budget of the current year, I have the honour to inform you that it is necessary to erect a school building of the III Village School Design on a Government site selected between Sulekunte and Madamangala, so that the building may be used by both the Government Kannada schools at Sulekunte and Madamangala situated near each other in the Bowringpete Taluk, the arrangement of combining both the Schools into one appears to be suitable. The Sulekunte School is at

present held in a private house free of rent and the school at Aladamangala is located in a building erected at a cost of Rs 220/- of which 110 Rs was paid from the Village School Fund as a grant-in-aid to supplement the people's contribution. This building will be sold and it is hoped to realise about Rs 200/-. The cost of the new building proposed to be erected is estimated at Rs 1886/- according to an estimate prepared by the Executive Engineer, Kolar Division. Under these circumstances I request that Government may be pleased to sanction the construction of the new building according to the enclosed plan and estimate and the transfer of the necessary funds to the DPW Budget from the amount recommended to be reserved on account of new works.

I have the honour to be,

Sir,

your most obedient servant,

Inspector General
